

YEAR TWO CLASSROOM NEWS

• What's On for Term FOUR– 2019 •

Science

Our key inquiry question this term is:

How can we investigate the observable changes that occur in the sky and on the land?

Green Day

To further enhance our environmental studies the school will be holding a Green Day on Wed 27th November. More information to follow.

SPORT

Sport will continue every Thursday. This term we are focusing on throwing and catching. We will be undertaking an exciting 4 week challenge to enhance these important skills. Sports uniform will need to be worn on Thursdays.

K-2 Athletics Carnival

The carnival will be held at school on Thursday 31st October. More information will be sent home shortly.

MATHS

Now that the children are so good at counting by 2s, 5s and 10s, in preparation for Year 3, we will learning our 2, 5 and 10 times tables (ie $1 \times 2 = 2$, $2 \times 2 = 4$).

Please help your child learn to recite these tables as they are crucial to developing speed and accuracy as they move into Year 3.

End of Year

9/12 Reports sent home
12/12 Presentation Day
18/12 Picnic Day/last day

If anyone is starting late next year, please let us know in writing as soon as you can.
