Dear Parents and Carers,

PSSA sport starts Friday, March 5 and we wish to inform you about arrangements that we have in place for the smooth running of the competition. Northern Beaches Council do not have restrictions on spectators attending outdoor venues/ovals. We do have a COVID-Safety Plan for Pittwater PSSA Zone to ensure the current health advice has been considered.

The main restrictions are:

- Spectators can attend PSSA Friday games (at venues NOT held on school grounds);
- Spectators should adhere to social distancing guidelines of 1.5m;
- Spectators must sit with their own school group and not mix with parents from other schools;
- Spectators must not engage with, talk to or approach students or teachers from their own or other schools at any time;
- Spectators must leave the venue immediately following the completion of the games;
- Spectators who do not comply with these regulations, could be asked to leave the venue.

If advice changes, then there could be an update to these guidelines. We trust that you will adhere to these guidelines to ensure a smooth running of the competition.

Yours sincerely,

Rob Zappia
Principal
