My child has the following special needs/allergies/medical considerations (please provide full details to the school office ASAP) _____

Permission to publish

For legal reasons the Department of Education requires that parents/carers give their 'permission to publish' each year.

Publishing student information

The School/Department of Education may publish information about your child for the purposes of sharing their experiences with other students, informing the School and broader community about school and student activities and recording student participation in noteworthy projects or community service. This information may include your child's name, age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media. The communications in which your child's information may be published include but are not limited to:

- Public websites of the Department including the School website, the Department's intranet (staff only)
- Departmental publications including the School newsletter, annual School magazine and School report, promotional material published in print and electronically including on the Department websites
- Official departmental and school social media accounts on networks such as the School's YouTube, Facebook and Twitter pages.

Parents should be aware that when information is published on public websites and social media channels it can be linked to by third parties and may be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information.

Permission to publish

I have read the information about publishing student information (above) and: - ☐ I give permission ☐ I do not give permission for the School/Department of Education to publish information about my child in publicly accessible communications. This permission remains effective until I advise otherwise.
